Post a Job or Internship

Employers may wish to visit our online recruiting systems directly - [MASONlink](#) for MBAs or [Tribe Careers](#) for Undergraduate Business, Master of Accounting, Arts & Sciences. Alternatively, we invite you to fill out our easy job posting form at <http://mason.wm.edu/postjobs>.

Applications will be sent to employers by your choice of submission method:

- Individually by email as they are received.
- In one PDF bundle after your application deadline.
- Directed to apply through your organization's employment website.

Prime recruiting season for posting a full-time job for William & Mary MBA students is September-November each year. January-March is the ideal time for posting internship positions to reach a broad scope of summer internship candidates.

Search our Online Resume Book

Contact [Carlie Johnston](#) to request access to a searchable MBA Resume Book through our Symplicity system, [MASONlink](#). Filter on graduation date, concentration, years experience and undergraduate background - or conduct a full-text keyword search of our resume book. Resumes for the MBA Classes of 2012 & 2013 will be available beginning August 15.

Schedule Interviews On-Campus, by Phone or Skype

We welcome the opportunity to host interviews for your organization in our state of the art facility, Miller Hall. Alternatively, interviews may be conducted by phone or Skype. Contact [Carlie Johnston](#) to handle all of your interview scheduling needs. Working with our office will ensure that your interview day runs smoothly.

Brand your Organization

William & Mary MBA students are encouraged to investigate business opportunities, bringing with them natural curiosity and critical thinking skills that can enhance your organization. The same curiosity and critical thinking skills are a part of their career planning, leading them to research and investigate career fields as well as individual organizations.

Each semester MBA CareerPREP & Corporate Relations along with the William & Mary Career Center, partner to bring students in contact with business professionals through on-campus events as well as travel to Richmond, Washington D.C., and New York City. We invite you to make an impact on our students while building your brand on campus by working with us to develop a brand strategy, helping you to connect with targeted students through events, interviews, classroom engagements, and student organizations.

Contact [Betsy Shonka](#) to learn more about participating in [career events and travel](#).

Employment Statistics

The College of William & Mary publishes MBA employment statistics for employers at <http://mason.wm.edu/careers/employment-statistics>. Data is refreshed annually no later than September 30 for the previous academic year.
