Alan B. Miller Hall earns gold

Alan B. Miller Hall, the home of the Mason School of Business, has received a **Leadership in Energy and Environmental Design (LEED) Gold Certification** from the U.S Green Building Council. The certification was based on water efficiency, indoor environmental quality, sustainable site design and development, innovative design process, energy design and use of materials and resources.

Executive-in-Residence: Dan Akerson

As part of his Earth Day series, Prof. Ram Ganeshan profiles five products, supply chains and carbon footprints in **Operations Buzz**.

**MBA CLASS OF 2007**

This is your year to be surveyed by Financial Times, The Economist, etc. Please take the time to make sure we have your correct contact information. It is important that we have your correct contact information so we may send you the survey invitations. If you are a member of the Full-time MBA Class of 2007, please complete this form or join **Mason Community Connections**. And watch your e-mail inboxes! If you don’t complete the survey, we might not get ranked! Your participation is very important! Spread the word!

**LATEST HEADLINES**

Daniel F. Akerson, right, Managing Director of The Carlyle Group, came to the Mason School as an Executive-in-Residence in the Laurie and John Andrews Speakers Series in Principled Business Leadership. Akerson shared his insights on the current economical climate and integrity in the workplace. 

Michael Luchs is a Revolutionary Thinker

Michael Luchs, Assistant Professor of Marketing, asks "How do you engage potential customers when they have become largely immune to becoming engaged?" The answer: "Product."
