

A New Career Services

Career Services at the Mason School of Business is all new. We have combined and restructured undergraduate and graduate career services to create Mason Career Services.

Mason Career Services now serves all Mason School of Business students, providing professional development and opportunities to connect with business executives.

The new Mason Career Services team is collaborating with the business school, William & Mary Career Center and the greater Mason community to plan events such as [DoG Street to Wall Street](#), [Meet the Firms Friday](#), [Consulting Symposium](#) and the [Personal Branding Symposium](#).

Get involved with Mason Career Services.
