The MBA Experience

Global Business Immersion

If you have not already applied, the Innovation in Europe trip to Belgium and Germany is now full. Wait-list applications are being accepted, but do not guarantee a spot on the trip. Applications are still being accepted for Sustainable Growth in Emerging Economies: Vietnam and Cambodia, which will depart on Friday, March 3 and run the duration of Spring Break. If you have any questions, please see the flier attached or contact Jennifer Roberts Nelson.

Leadership & Business Podcasts: Diversity, Inclusion, and the Bottom Line

Recently, Forbes Magazine reported that diversity and inclusion will be a top priority for businesses in the year ahead, explaining that gender-diverse companies were 15% more likely to outperform their peers. In addition, ethnically diverse companies are 30% more likely to do the same. Today, more companies are realizing that solid diversity and inclusion practices positively affect the bottom line. Elizabeth Nieto is Global Chief Diversity and Inclusion Officer at MetLife who has spent her career in the D&I space, and joins the podcast to discuss what it can do for individuals and organizations.

You can easily find all W&M Leadership and Business podcasts by visiting the CCE website.
