October 4th Information Session
The MBA Program Team will be coming to your classroom during the 11:00am class block to talk about grading, how the modules work, transcripts, and there will be time during this session to ask questions!

Following this info session on October 4th there will be an optional information session with Professor Rossiter and Professor Seiler to talk about Paths of Distinction in Health Care and Real Estate.

Paths of Distinction is a student/employer-centric initiative with a comprehensive, accelerated market-driven curriculum that is integrated with extraordinary experiential opportunities in high-growth, emerging sectors.

National Black MBA Association Annual Conference
The National Black MBA Association® Annual Conference and Exposition is one of the largest professional development and job recruitment events in the nation. Each year, this successful affair attracts more than 9,000 business-minded attendees who are fascinated to know about topics including career, education, entrepreneurship, lifestyle and leadership. Please review at GCMC’s NBMBAA Conference Highlights for more information!

Second Year MBA

Graduate Assistants
Timesheets are due on the 10th and 25th of each month. Please submit timesheets to mba.program@mason.wm.edu

Registration for Spring Semester
Dates for Spring registration will be coming out soon -- please monitor your email for further information

Leadership & Business Podcasts

Many organizations invest time generating their strategic plans but those plans often don’t prove to be successful. Arcadis is a leading international consulting company in design, management, engineering, and other services. Julien Cayet is Global Leader, Business Advisory at Arcadis. He joins us to talk about strategy, the dynamic nature of strategy, and how it intersects with structure and culture.

You can easily find this podcast and all other W&M Leadership and Business podcasts by visiting the CCE website at http://mason.wm.edu/programs/cce/podcast/index.php.
