The MBA Experience

Casual Fridays
Click here to familiarize yourself with the MBA dress code. Unless specified, you may wear casual attire on Fridays.

MyMBA
Please remember to check myMBA and the first year calendar and second year calendar, as they are your primary resource for class schedules and information about what is going on at the Raymond A. Mason School of Business.

Business Cards
If you would like to order business cards, they are available for $40.00 for a box of 500. Video instructions on how to place your order are available here. Once your business cards have been printed and delivered to the business school, you will receive an email notification. Payment for your order is due upon pickup.

Locker Rentals
Lockers are available for MBA Students to rent on a first-come, first-served basis for one year period of time. To obtain a locker, please pay a nonrefundable fee of $25.00 payable by check to WMBSF or cash (exact amount only) for the period beginning the first day of class and ending on the last day of class for each academic year.

Keys are to be returned to the MBA Programs office at the end of the last day of class for each year. If you still have a key from last year, you must fill out a renewal form and pay the nonrefundable $26.00 fee for the 2016-2017 year. Failure to return/renew keys may result in a hold on your account, which will prevent you from receiving your transcript or graduating. A replacement fee of $30.00 will be charged for any lost keys.

To rent a locker, or for questions in regards to lockers, please see Brittnay Rakestraw in the MBA Programs office in suite 280.

Leadership & Business Podcasts: Bob Williams

Pillars of Leadership
For some professionals, the ultimate goal is to serve as a leader that makes an impact on the world, customers, and people within their company. Recent graduates of the Flex MBA program at the Mason School of Business at William & Mary heard from Bob Williams, a clinical lecturer at the school. He teaches leadership and sat down to talk about what it means to be a leader today.

You can easily find this podcast and all other W&M Leadership and Business podcasts by visiting the CCE website at http://mason.wm.edu/programs/cce/podcastindex.php.
