

GRADUATE STUDENT LAPTOP REQUIREMENTS

Raymond A. Mason
School of Business
WILLIAM & MARY

The use of a laptop with the Microsoft Windows operating system is mandatory for graduate students at the Mason School. Student computers must meet or exceed the following requirements.

HARDWARE MINIMUM REQUIREMENTS	OPERATING SYSTEM REQUIREMENT
Intel i7 (or AMD equivalent) 16 GB RAM 500 GB hard drive	Microsoft Window 11

We recommend that you purchase warranty coverage, including accidental damage, for the duration of your program. Hardware repair is not a service offered by either the Mason School Technology Support Center or the main campus Technology Support Center.

MAC COMPUTERS

The use of Macs is strongly discouraged. This is due to the likelihood of there being circumstances when Windows 11 will be required to run applications and Excel add-ons.

MICROSOFT OFFICE 365

Office 365 is available through <https://office.wm.edu>, free of charge, to William & Mary students. To validate, you must log in with your William & Mary username and password.

MASON SCHOOL TECHNOLOGY SERVICES CONTACT INFORMATION

The contact information for the technology help desk is as follows:

Email: help@mason.wm.edu

Phone: 757-221-3401

Office: Miller Hall Room 3047
